

nuflower[®]
A NU PATH TOWARDS A HEALTHY LIFE

“ We understand that good nutrition is a cornerstone of a good life. ”

Who we are

Nuflower is the preferred partner of some of the biggest international public health organisations, such as UNICEF Supply Division and World Food Programme, for the manufacturing of Ready-to-Eat, Lipid-based Nutritional Supplements (LNS) and therapeutic foods to tackle acute malnutrition in children.

Nuflower also offers Private Label Manufacturing of nut and chocolate based pastes and spreads for brands looking for excellent quality and cost-effective manufacturing solutions.

UNICEF GMP certified manufacturer for Lipid-based Nutrient Supplements (LNS)

With a paste manufacturing line, we offer a wide variety of healthy Nut butters & Chocolate spreads

OUR FACTORY

A state of the art facility for production of LNS, Nut & Chocolate spreads, located in Manesar, near Gurugram (India)

Manufacturing Capacity- Our total manufacturing capacity is over 50 MT/day.

Quality & GMP Certification

Nuflower Foods & Nutrition has a non-negotiable stance on quality. In keeping up with this, our manufacturing plant has successfully attained the following certifications:

Why Us

One-stop centre

We are a direct manufacturer and endeavor to be your partner in not just production, but recipe formulation and experimentation as well

Reliable

Every action, right from the procurement of raw materials to the delivery of final products runs on a framework of best practices

Quality-oriented

Our facility is BRCGS, US-FDA, Kosher, IFS, Halal, FSSC 22000 Certification, ISO 22000, ISO 9001 & UNICEF GMP accredited.

Cost-effective

To provide the best value for money, we calibrate our processes to the smallest details to optimise resources, efforts and time
